

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

Aside from the obvious security breaches that could occur, I am a frequent traveller who often sleep during my flight because of the hours I work and the hours I travel. The constant chattering of private conversations would be disruptive, rude and test not only my patience, but I'm sure others as well including the flight staff.

Please leave the current rules in effect.

Sincerely,

Suzanne Nakama
